ROE STREET BRIDGE REPLACEMENT BEGINS MONDAY

WHAT/WHEN: Beginning Monday, June 24, Sunesis Construction Company will begin replacement work on the Roe Street Bridge over Little Duck Creek. The work will include:

- Replacing the steel beams with concrete beams
- Replacing bridge railing
- Replacing portions of existing asphalt roadway, and
- Relocating portions of the water main and gas main.

The work is expected to be completed by late August.

WHERE: Roe Street between Settle Avenue and Winona Avenue, over Little Duck Creek.

TRAFFIC NOTES: Roe Street will be closed to traffic at the Bridge over Little Duck Creek. Detour signs will be posted to redirect Roe Street traffic.
